AWDis

Rethink the T

BREAK FREE FROM COMPROMISE

The NEW AWDIs T range

Developed for printers and embroiderers, the AWDIs T combines superior quality, versatility and exceptional performance. Exclusively designed for this range, the innovative PurePrint fabric offers vibrant prints and precise stitching, while its smooth, ringspun cotton ensures durability.

Available in up to 15 of the best-selling colours and a full range of sizes, this t-shirt effortlessly integrates with other AWDIs products for seamless customisation. With no tear-out labels, reliable stock levels and a commitment to more sustainable cotton sourcing through Better Cotton, the AWDIs T sets a new standard for custom apparel.

PurePrint **b better cotton™**

PurePrint fabric is engineered for exceptional print performance, combining precision, durability and versatility. Made from 100% Better Cotton, the T comes in two versatile weights with fine ringspun yarn creating a smooth, uniform surface for sharp details and vibrant colours.

SCREEN PRINTING

High yarn count for sharp, detailed prints.

HEAT TRANSFERS/DTF

Smooth, dense fabric for durable, clear prints that ensures strong adhesion and lasting prints.

EMBROIDERY

Tight knit for clean, precise stitching on various designs.

GD005

When you're outfitting more than a few people, it's not easy to satisfy everyone in the crew – unless you opt for this unusually soft and hefty t-shirt.

The cotton blend Jersey is a hearty 185gsm, for substantial softness that appeals to all. The fabric is pre-washed, so it starts out fitting great and stays that way.

When quality, durability and substance count, this is the tee everyone can agree on.

ULTRA COTTON™ T-SHIRT

'Ultra' describes the entire experience of wearing a Gildan® Ultra Cotton™ adult t-shirt. The first thing you'll notice is the impressive heft of the fabric – at 200gsm, it's Gildan's most substantial tee, making it a natural for demanding work and enthusiastic play. A taped neck and shoulders amp up the durability further, while an extensive colour palette ensures you'll find the perfect hue.

Softstyle®

SOFTSTYLE™ YOUTH RINGSPUN T-SHIRT

Here's a tee that's as child-friendly as it can possibly be, thanks to its super-smooth cotton Jersey fabric; yet it's strong enough to withstand kids' energy and antics, due to the tightly twisted ringspun yarns that hold up to enthusiastic wearing and frequent washes. The rainbow of colours satisfies spirited sensibilities and a tear-away label assures smoothness for tender skin.

- Taped neck and shoulders
- Seamless twin-needle 1.9cm collar
- Side seam construction for sizes XS/S
- Tubular construction for sizes M/XL
- CPSIA tracking label compliant
- Tear-away label
- Twin-needle sleeves and bottom hem
- Quarter-turned to eliminate centre crease

HEAVY BLEND™ YOUTH HOODED SWEATSHIRT

Plush. Substantial. Comforting. This Gildan® Heavy Blend™ youth hooded sweatshirt is all these things and much more. Its 50% cotton, 50% polyester fleece is brushed to downy-soft perfection inside. Outside, the dense and pill-resistant face serves as a resilient backdrop for screen printing and even elaborate embroidery. The angular pouch pocket gives it an updated attitude, and a double-layer hood tops it off in cosy style.

- Air jet yarn for a softer feel and reduced pilling
- Double-lined hood
- Tear-away label
- Twin-needle stitching at shoulder armhole, neck and waistband
- Pouch pocket and set-in-sleeves
- 1x1 rib with elastane
- Quarter-turned body to eliminate centre crease
- No drawstring, conforming to EU regulations

REGATTA TECHNOLOGY

DURAZONE

Constructed to withstand the everyday wear and tear demands of the workplace. Durazone fabric is durable and abrasion-resistant, encouraging rain run-off with a durable, water-repellent outer fabric treatment. Withstands repeated washing, with easycare modern fibres.

SOFTSHELL

Water-repellent and wind-resistant to keep you warm and comfortable during high-energy activities.

WATERREPELLENT

Enhanced water-repellent treatment keeps you drier for longer. Water rolls off the surface of the garment.

Climate Control

Ultimate weather protection through advanced waterproof/breathable technology, engineered to keep moisture at bay, inside and out. H2XTREME® membranes stop water and wind from penetrating the garment while allowing water vapour to escape, keeping you warm and dry in all weather conditions.

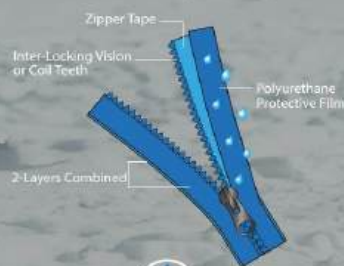

Thermal Shell Insulation

High efficiency/high loft synthetic alternative to down, designed to maintain its thermal properties while being lightweight providing superior resistance in colder conditions. Quilting is achieved by sewing through all 3 layers of the garment.

Waterproof Zippers

STORMTECH Waterproof zippers are built to keep you dry in extreme wet weather conditions. A waterproof polyurethane adhesive film is bonded to the zipper tape to create a waterproof seal on both vision and nylon coil zippers.
